

Keensight Capital strengthens its team with the appointments of Stanislas de Tinguy as Senior Director and of Jan Kinsky as Analyst

Keensight Capital, one of the leading players in Growth Buyout¹, has today announced the appointments of Stanislas de Tinguy as Senior Director and of Jan Kinsky as Analyst in the context of continuous business development.

Bio – Stanislas de Tinguy benefits from over 15 years of experience in Corporate and Investment Banking, with a strong expertise in the Telecom Media and Technology (TMT) sector.

Stanislas joins Keensight Capital from BNP Paribas CIB where he held the position of Managing Director and Co-Head of the TMT Investment Banking team for the Asia Pacific region. Based in Hong-Kong, he developed and ran a team of 15 professionals in Hong Kong and Singapore with a scope across Asia, from Greater China, Japan, India to Australia. His key responsibilities included originating and executing transactions in the TMT sector across all Investment Banking products.

Prior to this position, he was Managing Director in the EMEA Media Telecom sector, where he originated and structured large transactions for leveraged corporates, private equity and emerging market clients.

Stanislas graduated from ESSEC business school.

Bio – Prior to joining Keensight Capital, Jan Kinsky worked as a strategy consultant at Roland Berger, where he conducted multiple projects in growth strategy, strategic due diligence, operational excellence and corporate finance in North America and Europe.

Jan has a strong international background, having lived in France, the Czech Republic, Canada, Hong-Kong and Singapore.

He is a graduate of McGill University and holds an MBA from INSEAD.

¹ **Growth Buyout:** investment in profitable, private companies experiencing strong growth, in minority or majority positions, with or without leverage, using a flexible approach adapted to the needs of individual entrepreneurs, in order to finance organic growth projects, acquisition strategies or provide historic shareholders with liquidity.
